WHY WE PLAY

While we're excited to spend an amazing day together on one of the country's most iconic golf courses, the true purpose of this tournament is to support Ohel's life-changing mission.

By dedicating your time and support to Ohel, you help provide life-changing care and critical services to thousands of children, adults, and families each year. Your generosity supports individuals facing mental health challenges, people with developmental disabilities, families in crisis, those experiencing domestic violence, older adults, and individuals impacted by trauma – both here in our community and through Ohel's vital trauma response work in Israel, where the need remains greater than ever.

Together, we're doing far more than playing a round of golf – we're helping change lives. Thank you for being part of this special day and for supporting our mission.

We look forward to seeing you on the Black.

Warmly,

The Ohel Rosemil Healthcare Golf Tournament Committee
